NEW BOLERO NEO

THE BOSS

neo
BOLERO

STEP INTO THE BOSS WORLD

Experience the next evolution of the icon. The New Bolero Neo seamlessly blends iconic toughness with urban sophistication, featuring modern design, plush interiors, and advanced tech. With powerful performance and all-terrain capability, it's built to rule every road from city streets to untamed trails.

DESIGN – BOSS LEVEL

Sleek New Grille

The redesigned front grille and bumper announce your arrival with a commanding presence. It's a bold, modern look that speaks volumes about your style and leadership.

R16 Alloy Wheels

Elevate your stance with larger, bolder R16 alloy wheels. These wheels provide a confident grip and a premium aesthetic, effortlessly carrying your presence with every turn.

New Dual-Tone Colors

Express your unique style with new dual-tone color options. The new Jeans Blue palette adds a touch of modern sophistication, proving that a boss can be both powerful and fashionable.

COMFORT — BOSS LEVEL

All-New Interior Theme

Step into a refreshed and modern cabin. Choose between the light and airy Lunar Grey theme in the N11 or the rich, inviting Mocha Brown in the preceding variants, each designed to provide a premium and comfortable environment.

RideFlo Advanced Ride & Handling Tech

RIDEFLO

Conquer every terrain with confidence, thanks to the new RideFlo technology. Its advanced MTVCL FDD tech in suspension, refined brake dynamics, and lighter steering deliver enhanced stability and control. Built tougher to ride smoother, it ensures a precise and comfortable drive - even on the roughest roads.

Leatherette Upholstery

Feel the premium quality of the new leatherette upholstery. Its soft, durable, and refined feel elevates the interior, offering a touch of luxury that is both stylish and rugged.

The seats feature enhanced foam padding, providing superior support and cushioning for a relaxed and comfortable ride.

TECHNOLOGY
BOSS LEVEL

22.8 cm Infotainment system with Rear View Camera

Take command with the 22.8 cm infotainment system. This vibrant touchscreen gives you intuitive control over your entertainment and navigation, while the integrated rear view camera makes reversing and parking effortless and safe.

USB C-Type Charging Port

Keep all your devices powered and ready to go with the new USB C-Type charging port, ensuring you stay connected on every journey.

PERFORMANCE
BOSS LEVEL

mHawk100 Engine

The powerful mHawk100 engine delivers impressive torque and acceleration, while advanced features like the Engine Stop/Start (ESS) and ECO Mode optimize fuel efficiency, giving you both power and economy.

Multi-Terrain Technology

Tackle unpredictable roads with ease. Whether navigating city potholes or muddy trails, Multi-Terrain Technology (MTT) intelligently distributes torque to maintain traction and control. Paired with rear-wheel drive and a robust chassis, it ensures confident handling and solid performance across every terrain.

SAFETY
BOSS LEVEL

Dual Airbags

The new Bolero Neo comes equipped with dual airbags - providing added protection for both driver and co-driver throughout every journey.

ABS with EBD

Maintain complete control during sudden braking with ABS (Anti-lock Braking System) and EBD (Electronic Brake-force Distribution), ensuring a safer stop on any surface.

High-Strength Steel Body

The vehicle's high-strength steel body shell and BoF (Body-on-Frame) construction provide a rigid and durable frame, offering an added layer of protection and peace of mind.
