EXPLORE THE IMPOSSIBLE

THE ALL-NEW THAR
They say, once in every generation comes something that changes the very course of history.

Say hello to the All-New Thar.

The Thar’s iconic design gets a contemporary spin in its new avatar giving it an uber-cool and retro appeal.

Performance is the name of the game and with the legendary capability synonymous with its predecessors, the All-New Thar rewrites all rules out there.

Coupled with state-of-the-art technology and new-age features that make city rides just as exhilarating as your off-road escapades.

Enough said, Are you ready to explore the impossible?
WHEN RETRO MEETS NEW AGE SUAVE.

Ask a child to draw a car and what you’d get is the iconic form factor that’s the Thar’s identity. Something that has remained unchanged since day one and always will.
TIMELESS GOOD LOOKS
The All-New Thar retains its iconic front profile, with its distinctive front grille paired with minimal round headlamps. One look and you'll know what love at first sight really means.

CAPTIVATING LED DRLs
The All-New Thar sports a new pair of fender-mounted daytime running LED lamps that give it extra visualoomph from the front.

A BEAST OF A BUMPER
The purpose-built bumpers do away with the paint on their outboard ends to prevent scratches while in the city or out in the wild.

STYLE MEETS STRENGTH
The All-New Thar marries unmatched performance with an impressive sense of style, thanks to its Deep Silver 45.72 cm (18) alloy wheels.

YOUR OWN PRIVATE COCOON
Prefer your own private cocoon? Here's the hard-top variant which is designed to meet the refinement levels that'll make your drive as smooth as floating through clouds.

WIND IN YOUR HAIR
Opt for the Manual Convertible Top variant of the All-New Thar to enjoy your expeditions with that wind-in-the-hair feeling. It's the ultimate expression of flamboyance while letting you be one with the outdoors.

RETRO IS BACK
The All-New Thar's LED tail lamps enhance visibility and their stylish retro look is sure to catch eyeballs anywhere you go.
EMPEROR OF ALL TERRAINS.

Ragged, uncompromising, tough - these are some of the words used to describe the Thar's playground.
LEFT FOOT ON LEAVE
Get your new Thar to do some of the heavy lifting. With its new 6-Speed Automatic Transmission, shifting through gears is now a breeze. Impossible terrains will just feel like a walk in the park.

GEAR UP, REVHEADS
If you've got a wild streak and fancy pushing the All-New Thar to its limits, the 6-Speed Manual Transmission is the one for you. Enjoy the rush of power in your hands.
THE BIRD OF PREY
Mahindra’s next-generation mHawk 130 CRDe Diesel Engine oozes torque and raw power, ready to do your bidding even on the toughest mountain inclines. From great to greatest, there’s no terrain that this diesel-powered behemoth can’t conquer.

THE THOROUGHBRED STALLION
The all-new mStallion 150 is Mahindra’s first-ever T-GDI Petrol Engine – a spirited, powerful and torquey motor that’s perfect for revheads everywhere. The game is about to change with this beast.
SWITCH IT UP
The new Thar boasts of a segment-first electric driveline disconnect function for a seamless transition from 4x2 to 4x4 mode.

ALL-TERRAIN SUSPENSION
Enjoy superior off-roading traction and smooth handling on paved roads with the Thar’s All-New suspension with a combo of Independent Front Suspension and Multi-Link Rear Suspension.

GO ANYWHERE
Seamlessly switch into 4x4 mode with the manual shift 4x4 Transfer Case with Low Ratio with a manual shifter that’s full of old-school charm.

TRUE BLUE SUV CONSTRUCTION
The All-New Thar’s authentic 3rd Generation Body-on-Frame Construction chassis can handle absolutely any terrain without breaking a sweat.

TRACTION HERO
Mechanical Locking Differential for the rear axle that mechanically locks up in slippery conditions for maximum traction.

GET A GRIP
Whether there’s road or no road, it’s not a problem for the All-New Thar’s all terrain 255/65 R18 tyres that offer great comfort and grip.

NO SLIP UPS
Brake Locking Differential that electronically locks up all axles in slippery conditions for maximum traction.
AS PREMIUM INSIDE AS LEGENDARY OUTSIDE.

The all-new interiors have everything it takes to make your ride as comfortable and fun as possible.
GLUED TO YOUR SEAT
Sporty front seats with body-hugging contours to keep you comfortably planted even during the bumpiest rides.

BACK TO THE FRONT
Front-facing rear seats with 50:50 split that let rear seat passengers travel comfortably for long distance and fully fold to fit in extra luggage.

THE HEIGHT OF SEATING
Drive comfortably while being seated at your preferred height with the new Thar’s height adjustable driver seat with lumbar support adjustment.

NO DOOR THRILLS
Get on an off road adventure? Experience the thrills of driving without doors as you can remove and fix the doors on the All-New Thar with super ease.

LOCK AND LOAD
With the All-New Thar’s Central Locking Mechanism along with its Remote Flip Key, keeping your vehicle safe is an absolute breeze.

PARTY ON THE ROOF
With the All-New Thar’s Roof Mounted Speakers, the concert’s on 24x7, as you groove to your playlist even while wading through knee-deep water.
RETRO COOL MEETS NEW TECH

The All-New Thar is loaded with state-of-the-art technology, helping you stay in control of your ride at all times and stay connected with the outdoors.
TOUCH AND GO
Navigate the terrain or set the mood for your trip with the new waterproof Touchscreen infotainment System with Android Auto, Apple CarPlay, USB and Navigation. Get all the info about your Thar and your trip with just a few touches.

THE SCIENCE OF ADVENTURE
Monitor all your vital stats and information through the Adventure Statistics System equipped with an altimeter, a compass and a roll & pitch meter. Now you’re in total control of your Thar from the inside no matter how bad conditions are outside.

PLAY IT SMART
Link your Thar to your smartwatch or phone through the BluetoUte App to access all your devices effortlessly. Giving you even more power in your hands.
ADVENTURE CONNECT
The new Thar keeps you on-the-go with a plethora of Mahindra Adventure Event notifications that you can access from the infotainment system. Stay in touch with the Thar community easily and join in on the fun.

ALWAYS FULLY INFORMED
Keep an eye on all essential ride-related information with the All-New Thar’s revamped TFT Multi-Information Display as the cluster. The super convenient display gives you all the info you’ll need in a matter of seconds.

KEEP THE PRESSURE ON
The All-New Thar keeps on monitoring the pressure levels of all the four wheels plus the spare with its Tyre Pressure Monitoring System. So that you’re always informed about the condition of your tyre, thereby making you and the Thar safe and secure.
TAKE ON THE IMPOSSIBLE WITHOUT FEAR.

The adrenaline-pumped adventures you embark on need an equally safe and secure partner, and the All-New Thar is just that. So, buckle up inside the All-New Thar and take on the impossible without fear.
YOU'RE IN STABLE HANDS
Enjoy taking sharp turns without fear of nasty tumbles with the All-New Thar's ESP with Rollover Mitigation Technology.

PREPARED FOR EVERYTHING
The All-New Thar meets global crash safety norms and keeps passengers away from harm during collisions with its crash-safety compliant bodyshell.

YOUR PROTECTIVE SHIELD
Built-in interior Roll Cage and 3-Point Seatbelts add structural rigidity to the Thar and safeguard their passengers during a rollover or accident.

CUSHIONED FROM IMPACT
The All-New Thar sports Dual Front Airbags and ABS to protect passengers and safely manoeuvre the vehicle out of the trickiest of situations.

NO MORE UPHILL STRUGGLES
The new Thar comes with a Hill Hold and Hill Descent Control System to assist you and achieve a controlled uphill or downhill journey.

SLEEP LIKE A CHILD
With its ISOFIX Child Seat Mounts, the all-new Thar keeps your little ones snug and safe through all your explorations. So, take them on your adventures and give them a dose of your wild side without any worry at all.
