Telematics Solution

Here comes the all-new Bolero **Maxx** Pik-up **HD** range

The all-new Bolero Maxx Pik-up HD is set to rule across the country. It comes with **Maxx cooling AC** to serve comfort and ease throughout the journey. With its all-new **2000 kg payload capacity**, you can carry heavy load with absolute ease. It also comes with **bigger tyres** for you to drive through all kinds of roads comfortably. With its powerful and reliable **m2Di engine**, hilly regions and terrains will no more be a worry. Its world-class **iMaxx technology**, **class-leading mileage**, and **low-cost maintenance** aim to serve maximum profit to your business. And not to forget, our all-new Bolero Maxx Pik-up comes with the best of **safety** and the finest of **comfort**.

Maxx Loading

Carrying heavy loads is going to be an easy task for our heavy duty vehicle. Presenting the all-new Bolero Maxx Pik-up. With a payload capacity of **2000 kg**, and a cargo size of **3050 mm x 1800 mm**, the vehicle can carry any load effortlessly.

Maxx Terrain Capability

Rough roads are no more a worry! Because our all-new Bolero Maxx Pik-up comes with bigger than before, **7R16 tyres**, strong chassis, and great suspension. So that even bad roads don't stop you from reaching your destination.

Maxx Performance

The all-new Bolero Maxx Pik-up is powered by the reliable m2Di engine. With its great torque of **220 Nm**, the vehicle can carry any load with ease. Be it rough roads or hilly regions, with more power in your hand, your journey will always be smooth, and comfortable.

Maxx Comfort

The all-new Bolero Maxx Pik-up comes with the all-new comfort level. It serves Maxx comfort with **Best-in-class AC, D+2 seating** and **Height-adjustable seats** for perfect and dependable long journeys. The vehicle is designed in such a way that it offers easy entry and exit to the cabin.

Maxx Safety

The all-new Bolero Maxx Pik-up's first-in-class **turn safe headlights** enhance visibility at blind corners in the dark and its front nose design makes it extremely safe for long distance deliveries.

Maxx Technology

The all-new Bolero Maxx Pik-up comes with a supreme technology that offers you a variety of features. So that you run your vehicles, and your business with ease.

Vehicle tracking

Know your vehicle's location from wherever you are

Geo fencing

Alerts you when your Pik-up strays off its pre-determined route

Route planning

Informs you of the best route to deliver at multiple locations

Vehicle health monitoring

Updates you on the health of your Pik-up
