XUV700

EBONY

OUTSHINES THE DARK

The background of the advertisement is a dark, atmospheric scene. It features a curved wall or structure on the left side, with a series of vertical lines and glowing digital patterns, possibly representing data or a futuristic cityscape. The overall tone is mysterious and high-tech.

## THIS IS THE XUV700 EBONY EDITION

We've always been pioneers. Pushing for new benchmarks that don't just make us stand out, but stand above. It only makes sense for us to take on black - a colour, an experience, a presence. That's what the XUV700 Ebony is. Cloaked in Stealth Black, it has a presence that's the purest expression of the emotion of black - magnetic, bold, and elegant - elevating the one inside and those around it. It only adds to something, never extracts.

It's ready to outshine the dark.

# COMFORT THAT OUTSHINES STYLE THAT STANDS APART

The XUV700 Ebony boasts a refined definition of all-black interiors that make you realise that you don't just step in—you get pulled in.
